

Canadien's Breakout Shootout

Description

divide the players into 2 lines. One player with the puck behind the goal line. First shooter starts in the wingers box position, on the whistle the player gets into position for the breakout, receives a pass from the D, then skates towards the red line, goes through the two lines in on a breakaway. That player now goes to the D position. And the D goes to the line.

Key Points: shootout, winger breakout
