---

- **No matter what - FAMILY FIRST !**
- **To believe that you as an individual can make a difference.**
- **To treat your teammates and coworkers with respect and compassion.**
- **To play each practice and game with a passion and not treat it like a job.**
- **To have faith in your teammates, trainers and coaches that they are doing the best that they can and not to judge them.**
- **To be accountable for your own actions on and off the ice.**
- **To believe and have confidence that we are able to win every game.**
- **To believe that the team is more powerful than the sum of the strengths of it's individuals.**
- **To have a burning desire to go beyond being just a good team. To have the will and the yearning to be great.**
- **To believe in our Core Covenant and to judge only ourselves honestly in adhering to it.**
