

## T2-4 - D400 - 3-2 - One Attacker Behind - College W

### **Key Points:**

Attackers get open and always give a target and be ready to shoot. Defenders must stay on the defensive side and see the puck and their man.

### **Description:**

1. Three offensive players vs. two defenders.
2. One offensive player must be below the goal line.
3. Attacker below the goal line can rotate out and be replaced by a teammate.
4. Coach put in a new puck after a goal or the puck is out of play.
