

## E1 10 puck 2-0 shootout

### Key Points:

Allow only one or maybe two passes before shooting. Place 10 pucks on the goal line or less if you don't have much time.

### Description:

1. Players are on the bench and can't leave until the scorers get within one stick length of the goal.
2. Race back to the bench hard to simulate changing on the fly.
3. Next two players go and pick up another puck from the blue line.
4. Goalie can shoot the puck away but keep it in the zone.
5. Losing team do something like skate or push ups for each goal they lose by.
