

## T2 - Take the Ice Behind to Create 2-1's - Sweden-Soviets-Pro

### Key Points:

When the defenders are using a contain forecheck and are ahead of the puck you cannot beat them skating in straight lines. You must continually isolate the wide player and create 2 on 1 situations. Support by taking the ice behind the puck carrier.

### Description:

1. Practice with a 2 on 2 situation and isolate a defender by crossing.
    - a. Cross drop and #1 screen weak side D.
    - b. Cross, drop 1 to net, 2 wide.
    - c. Cross and fake drop. 1 through middle 2 go to the net.
- Create 3 on 3 situations in drills and games.
- d. #'s 2 and 3 go hard to the net.
  - e. #1 go to the middle and shoot or pass.

*\* Other options are another cross behind or pass back to the 4th and 5th supporting attackers.*

*Important is to change the speed and angle of the attack and force defensive decisions like switch or stay man to man.*
