

D200 - 3-3 - 3-2-1 Pucks - U18 F

This is another game where players must read the ever changing situation. I posted a similar game before but the video wasn't very good and now we line up across the blue line and start by skating behind the net.

Key Points:

- Players can only shoot when the goalie is ready.
- No empty net goals.
- Situation continually changes as goals are scored and players have to read odd and even man numbers.

Description:

1. Players line up outside the blue lines.
2. Coach shoots in 3 pucks.
3. Players race for pucks and battle to score and defend.
4. Leave puck in the net after a goal and play with 2 pucks then 1 puck.
5. Pass pucks remaining to teammates on whistle.
4. Hustle out of the zone on the whistle and play 20-30 seconds only.
6. Count the pucks in the net after to determine the winning team.

** Option is to pass to teammates on the blue line. Another option is to skate behind the nets to start.*
