

## D202 Neutral Zone Keep-away With Jokers U-15 Boy's

### Key Points:

Protect the puck, use fakes and change the type of passes and the situation.  
This is a great game to practice puck support, getting open, passing and puck protection.

### Description:

1. Active players are in the middle.
2. Jokers are lined up along the blue lines with half the team on each side.
3. Passes to Jokers are allowed.
4. Play even situations up to 3-3.
5. Vary the situations 2-1, 3-1, 3-2.
6. On whistle leave from one end and return to the line-up at the other end.

*\* Award one point for making 5 consecutive passes to the players in the middle and keep score.*

*\* Make a Tocar-Tocar (two touch).*

*\* This is also a great hockey specific conditioning activity.*
