

Title : 2 Pass, Cross-Ice

Category #1 : Passing

Category #2 : Competitive Games

Description

2-Pass, Cross-Ice:

- Divide one end of the ice in two halves
- 2 players from each team are on each side
- Coach throws puck in to start play
- the two defenders (1 & 2 here) must make regain posession of puck and make 2 passes before the puck crosses the mid line
- the number of passes could be reduced to 1 on the D side for younger players, or require 2 completions for offensive side players if they are more advanced
